

Steven Carey
Managing Director
Hong Kong

Steven is a Managing Director of Quanter Global, and has over 15 years full-time in transfer pricing consulting. Previous experience includes being a partner in a global transfer pricing firm, a member of the transfer pricing team at a Big 4 firm in Singapore, an economist at the New South Wales Treasury and working in international tax for the Australian Taxation Office.

Qualifications

- Master of Taxation - University of New South Wales
- Bachelor of Commerce (Honours) - University of Wollongong

Proven Track Record

- Efficient and successful project management of many major transfer pricing and tax valuations engagements across Greater China, Asia Pacific and Europe, including:
 - China transfer pricing documentation studies based on new EIT Law and transfer pricing regulations.
 - Large scale transfer pricing audits.
 - Regional/global restructuring projects involving implementation of regional principals and master file documentation.
 - Unilateral and bilateral APAs, including Singapore's first bilateral APA
 - Intangible property valuations projects.
- Author of China Briefing 'Transfer Pricing in China' as well as numerous articles in journals such as International Tax Review, China Tax Intelligence and BNA.
- Recognised as one of Hong Kong's leading transfer pricing advisors in *Euromoney Guide to the World's Leading Transfer Pricing Advisors*.
- Involvement in knowledge sharing and capacity-building initiatives with tax authorities in developing jurisdictions such as Myanmar and Cambodia.

Capabilities

- Extensive experience in managing large-scale transfer pricing system design and documentation projects in Europe, Australia and Asia Pacific.
- In-depth knowledge of transfer pricing regimes across Asia, in particular, Greater China, Singapore, Thailand and Vietnam.
- Assisting regional headquarters companies in Singapore and Hong Kong to design and implement transfer pricing policies throughout the Asia Pacific.
- Intangible property valuation across various industries for transfer pricing and financial reporting purposes.
- Regular speaker at various external seminars and conferences
